

Company Profile

Welcome to Our Company

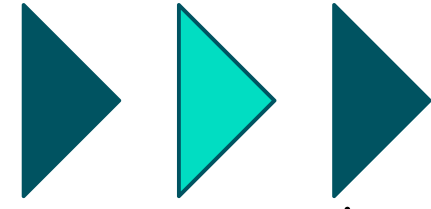

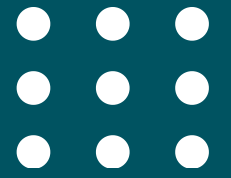

CareonIQ is an independent talent advisory and recruitment consultancy focused on helping organizations build high-performing teams.

We partner with startups, growing businesses, and established enterprises across IT and Non-IT sectors to deliver structured and reliable hiring solutions.

Our approach is built on clarity, industry insight, and a commitment to connecting exceptional talent with the right opportunities.

CareonIQ — Hiring Elevated.

Leadership & Executive Hiring

Helping organizations identify and recruit experienced leaders who can drive strategic growth.

Specialized Talent Acquisition

Sourcing professionals with niche technical and functional expertise across industries

Workforce Expansion & Project Hiring

Supporting companies during expansion phases with scalable and efficient hiring solutions.

Strategic Recruitment Support

Partnering with organizations to build strong and high-performing teams.

We Provide Solutions

Why You Should Choose Us?

Faster Access to Relevant Talent

Our structured sourcing approach helps identify qualified candidates efficiently.

Industry-Aligned Talent Search

We focus on sourcing professionals with relevant experience and sector knowledge.

Reduced Hiring Risk

Careful screening and evaluation ensure candidates align with both role requirements and organizational culture

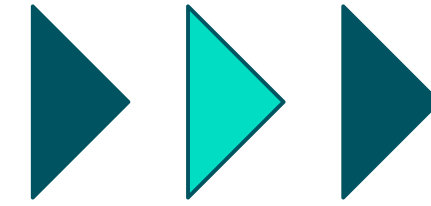

Focus on Long-Term Success

Our goal is to help organizations build strong teams that contribute to sustained business growth.

Industries We Serve

MNC & Global Capability Centres

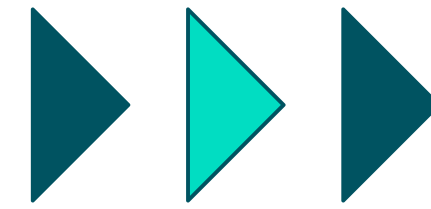

Strategic talent solutions for multinational corporations and global capability centres, supporting leadership hiring, specialist roles, and large-scale workforce expansion.

Engineering, Infrastructure & Manufacturing

Recruiting civil, mechanical, electrical, chemical, and production engineers, along with project managers, plant heads, and quality specialists

Industries We Serve

Banking & Financial Services

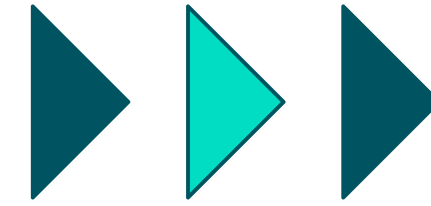

Talent solutions for banks, NBFCs, fintech firms, and financial institutions across operations, risk, compliance, investment, and leadership roles

Corporate & Business Functions

Hiring across HR, finance, marketing, supply chain, operations, administration, and business development.

Industries We Serve

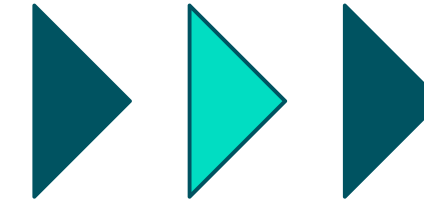

IT / ITES & Technology

Recruitment for technology professionals across software development, cloud computing, cybersecurity, ERP, data analytics, and IT support.

FMCG

Hiring sales, supply chain, marketing, category, and regional leaders, driving growth in consumer brands.

Company Vision & Mission

Vision

To build a reputation as a trusted recruitment partner recognized for integrity, structured processes, and dependable delivery.

We aim to contribute to stronger organizations by aligning the right professionals with the right opportunities.

Mission

To deliver practical, timely, and quality-driven hiring solutions that reduce recruitment risk and improve long-term retention.

We are committed to transparency, ethical standards, and measurable accountability in every engagement

Our Recruitment Process

-  **Requirement Understanding**
Understanding the client's business needs, role expectations, and team structure.
-  **Talent Mapping**
Researching the market to identify relevant talent pools.
-  **Candidate Sourcing**
Identifying and approaching qualified candidates through professional networks and platforms.
-  **Screening & Evaluation**
Assessing candidates based on experience, skills, and cultural alignment.
-  **Client Interview Coordination**
Managing interview scheduling, communication, and feedback.
-  **Offer & Onboarding Support**
Supporting offer discussions and ensuring a smooth onboarding process.

What Make Us Different?

Structured Hiring Approach

We follow a disciplined recruitment process that begins with understanding business needs and role expectations.

Quality Over Quantity

Our focus is on presenting carefully evaluated candidates rather than sending a high volume of profiles

Industry Awareness

We understand hiring dynamics across multiple sectors, helping us identify relevant and capable talent.

Transparent Communication

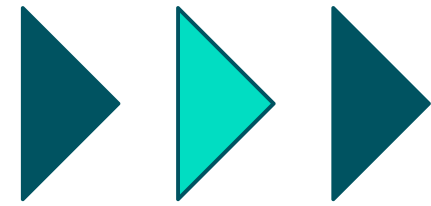

We maintain clear and consistent communication with clients and candidates throughout the hiring process.

Commitment to Long-Term Fit

Our goal is to support organizations in building strong and sustainable teams.
